We had 90+ people attend this meeting last year with very positive results. Everyone is welcome who would like to learn about creating and managing their own professional network. Attending groups include **APICS, ISM, ASQ, PMI** and several others.

### Registration Process:

1. Register directly for this event by (preferably) emailing **Tom Kilty** at [gmstom@tampabay.rr.com](mailto:gmstom@tampabay.rr.com) or by calling him at (727) 725-7674. Please register as much in advance as possible, so the catering requirements can be planned. Any and all "walk-ins" will be welcomed.
2. Payment is at the door. \$25 per person (\$5 less than last year), \$15 for students with school ID. Cash, checks and credit cards accepted, checks payable to "APICS – FLWC". Receipts will be provided for continuing education credit and reimbursement. Be sure to drop your business cards in the bowl for the door prizes.
